Lieutenant General A. P. Clark, USAF, Commander  
Headquarters Air University  
Department of the Air Force  
Maxwell Air Force Base, Alabama 36112

Dear General Clark:

Thank you for your letter of 19 December inviting me to address the Air War College National Security Forum on 11 May.

This year I would like my Deputy, Lieutenant General Robert E. Cushman, Jr., USMC, to have the opportunity to address the Air War College. Bob Cushman has had a very broad and distinguished military career. His last assignment before joining the Agency in April 1969 was as Commanding General of III Marine Amphibious Force in Vietnam. He is unusually well qualified to present our views to the Forum on the threat to our nation's security.

I suggest that the Director of the National Security Forum arrange details with General Cushman's Executive Assistant,

Sincerely,

Richard Helms  
Director
